OFFICE OF THE EXECUTIVE ENGINEER (ELECTRICAL), MYSORE STATE ELECTRICITY BOARD, ELECTRICAL DIVISION, CHITRADURGA.

Notice dated 30th May—1st June 1959.

No. 2308. Sealed tenders in duplicate duly signed by the contractors will be received in the Office of the Executive Engineer (Electrical), Electrical Division, Chitradurga, up to 4 P.M. on 30th June 1959 for the construction of the following Building :—

Sl. No.	Name of work	Approximate Amount	Earnest money	Period of completion	Monthly minimum progress
1	2	3	4	5	6
	Construction of one block of Senior Operator's quarters as per G 379 with half unit of latrine as per G. 257 at Chitradurga.	Rs. 11,900	Rs. 595	Six months from the date of issue of work order.	Rs. 2,000

1 The tenders will be opened at 4 P. M. on 30th June 1959 in the Office of the Executive Engineer (Electrical), Electrical Division, Chitradurga, in the presence of the contractors or their authorised representatives who may be present.

2 The contractor shall quote clearly for each individual item of work both in words and figures and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payment of Sales-tax, royalty or any tax due to Mysore State Electricity Board.

3 The tenders will hold good till the acceptance or otherwise by the competent authorities.

4 For lumpsum provisions or for non-tendered items, the rates will be paid as per current minimum Schedule in the case of Scheduled items and items which do not find place in the Schedule will be paid at rate worked out on data basis.

5 No conditional clause will be accepted.

6 No cheque will be accepted for earnest money and no request for the adjustment of amount due by the Mysore State Electricity Board can be entertained.

7 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of 50 nP. at the Office of the Executive Engineer (Electrical), Electrical Division, Chitradurga.

8 The successful contractor shall bind himself to abide by the Board rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender failing which his tender will be cancelled unconditionally and his earnest money will be forfeited.

9 Each tender shall be accompanied by a receipt towards earnest money paid in cash at the Office of the Executive Engineer (Electrical), Electrical Division, Chitradurga.

10 The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer (Electrical), Electrical Division, Chitradurga, on all working days during office hours.

11 The Board reserves the right to refuse any tender without assigning any reasons therefor.

12 Controlled materials like cement and steel will be supplied to the contractor if available at Chitradurga Sectional Stores as "Sales" to him on payment of cash. The rates to be charged for such materials will be the ledger rates or market rates whichever is higher at the time of sale. An additional 15 per cent as centage will be levied over the cost of materials sold by the Board.

13 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this

work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The term 'Specification' mentioned either in the Schedule or in the estimates in the notified items, would mean 'specific' items of work to be done according to the instructions of the Civil Engineering Section with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

16 The Board does not undertake the responsibility to supply lorries to the contractors.

17 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

18 The work should not be sublet.

19 The contractor will have to make his own arrangements for water required for the work, scaffolding materials, conveying of materials, approach road to quarries, bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

20 The contractor should furnish the tender in duplicate only and should there be any difference in the rates between the original and duplicate, the lower of the two only will be considered.

21 The fluctuation of rates in the cost of controlled articles like steel and cement will not be taken into consideration for enhancement or reduction of rates even if there is such fluctuation in the rates at a future date.
